

**The NET** (National Employment Team) offers business customers, in the private and public sectors, a designated single point of contact to connect with qualified applicants, resources and support services in their local area, multi-state or national marketplace. The NET provides employment supports in all 50 states, the District of Columbia and the Territories.

**The NET** is a one-company approach to serving a variety of businesses through the national network of the 78 publicly funded vocational rehabilitation (VR) programs.

**The NET** is supported by 20,000 specially trained VR staff nationally in coordination with their community partners and a \$3.7 billion annual budget designed to train and employ the talents of people with disabilities while meeting the employment needs of business.

See the listing of VR services that have been identified as "value-added" by our business customers.

### No Cost Business Services

- 1) **Pre-employment services** - connecting future employees with companies through internships, apprenticeships, mentoring opportunities and training that is customized to the business need or delivered on-the-job.
